

Sberbank

Sberbank Business-Auto program

The Business-Auto product enables you to purchase both new and used vehicles, including:

- freight vehicles;
- light commercial vehicles;
- special-purpose machinery;
- trailers and semi-trailers;
- other types of vehicles.

The Business-Auto loan means:

- financing against the pledge of purchased vehicles;
- extended loan tenors;
- optional inclusion into the cost of the vehicle of the following items:
 - cost of optional equipment;
 - cost of insurance for the purchased vehicle;
- option of lending for trade-in vehicle purchase.

The following types of collateral shall be required for loan facility:

1. Purchased vehicle.
2. Suretyship of business owners.
